

Cyber Attack Procedures

Purpose and Scope

- To present cyber attack procedures
- To present an overview of the key players
- To identify possible points of collaboration

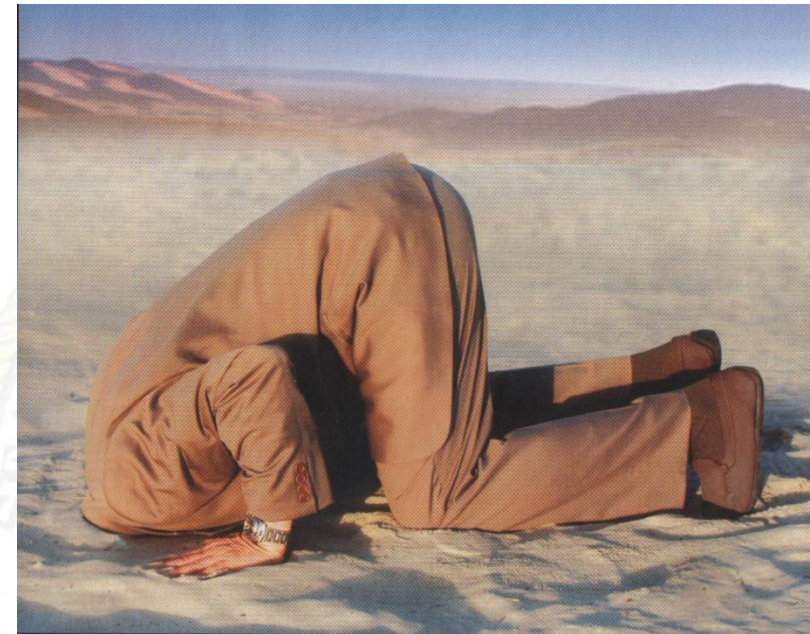

HACKERS
AHEAD

DO NOT
PICK
UP
VIRUSES

■ Myths

- I'm a small target
- My data is not important enough
- We've never been hacked
- My firewall protects us
- My password is strong
- I'm too busy

HACKERS
AHEAD

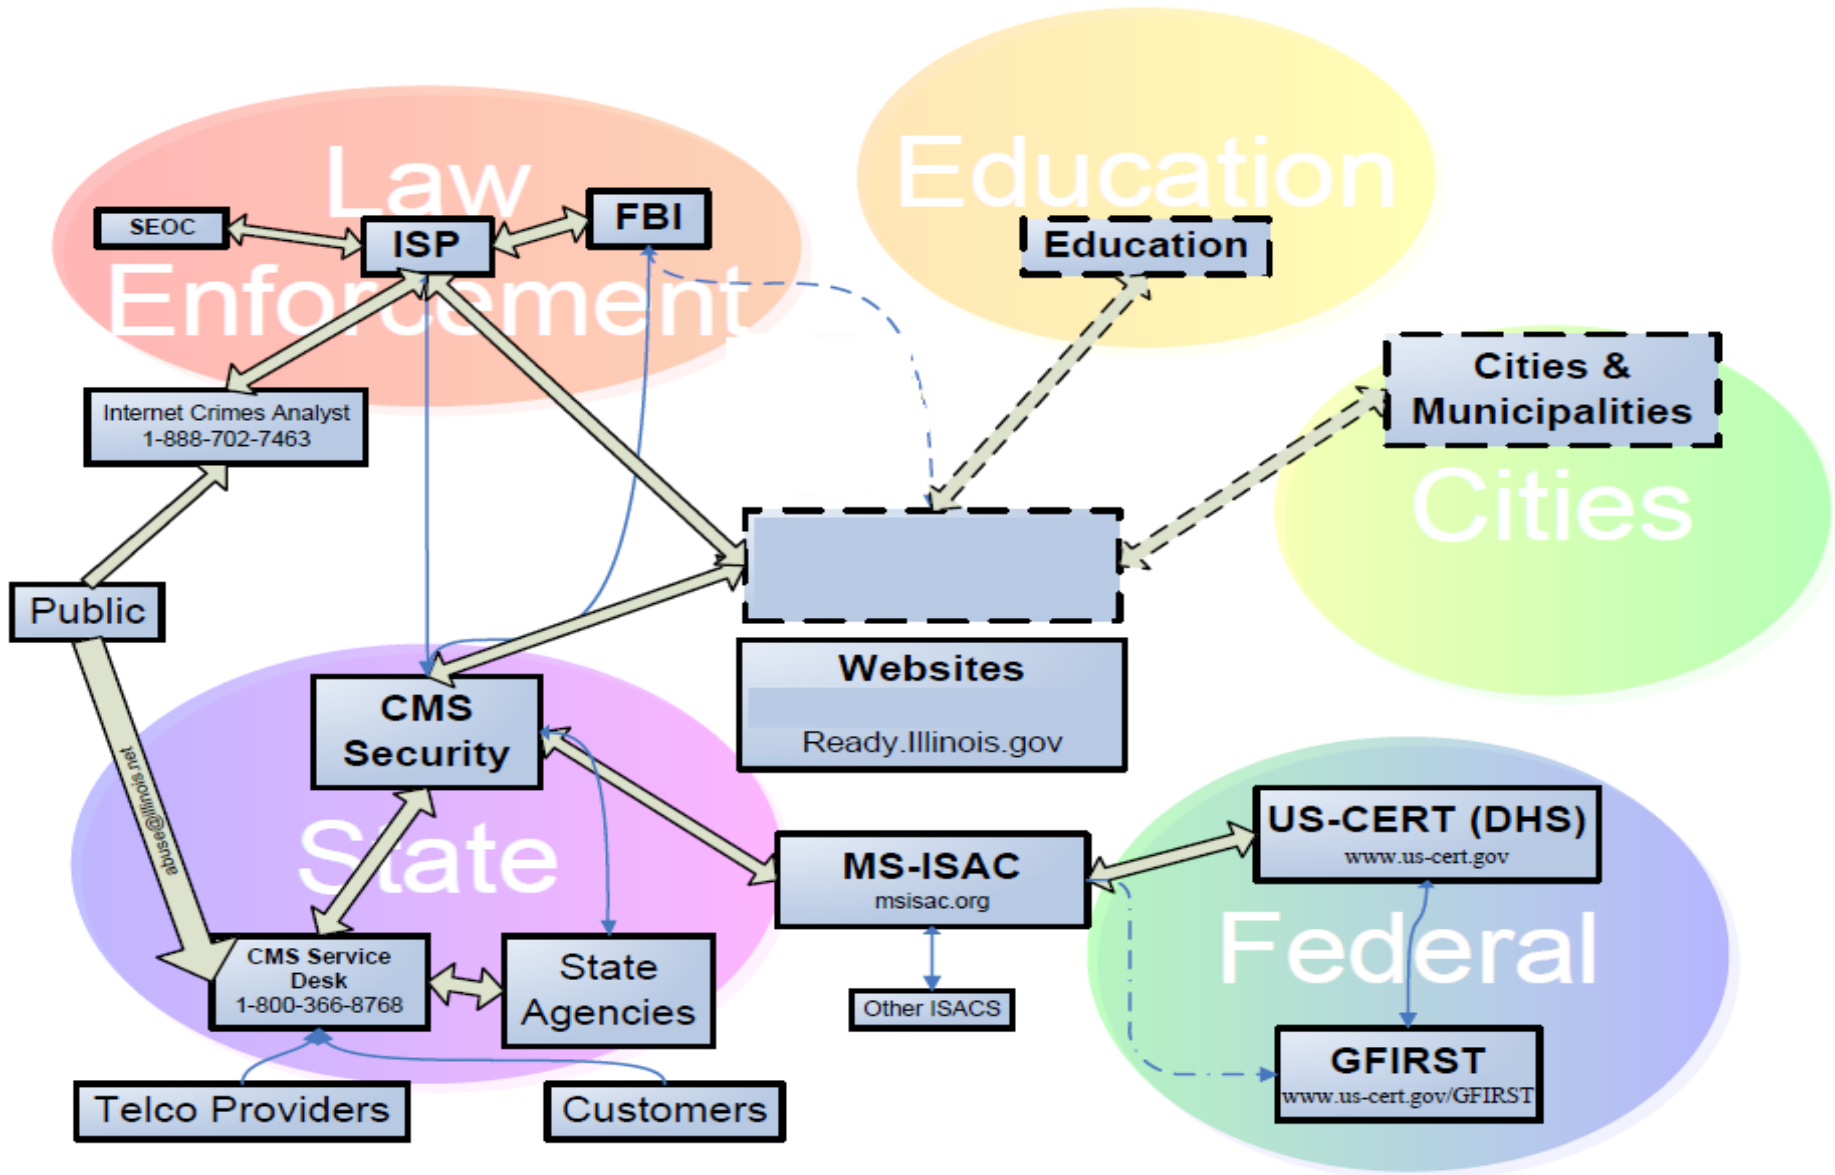

DO NOT
PICK
UP
VIRUSES

- 2006 Illinois breach notification law (Public Act 94-35)
 - Notify General Assembly within 5 business days
 - Notify victims in a timely manner

Cyber Incident Communication Flow
